

A maintenance-of-effort (MOE) spreadsheet for NCLB programs is available at <http://www.ed.gov/programs/transferability/guidance04.xls>. Also, OMB A-133 information is available at [http://www.whitehouse.gov/omb/circulars/a133\\_compliance/04/ed.pdf](http://www.whitehouse.gov/omb/circulars/a133_compliance/04/ed.pdf) as a compliance resource. This contains descriptions of various programs and their requirements. You will need to pick and choose the NCLB programs only, but this will be a good place to start gathering information for assembling your own spreadsheet.
