

School Leadership Team Training Series

Year II

With Judy Cunningham

- As Year 2 cohort teams, you will reconvene to continue your work as leadership teams with Judy to build capacity on your school site.
- You are past the development stage and will be focusing on deepening and sustaining your work as a leadership team to support the work of grade level and curricular teams' focus on best practices to assure student achievement.
- Learn and use focused tools to guide the work for impact on student assessment.
- Understand your responsibilities and commitments to the work of building a culture where all parties take responsibility to work together collaboratively.
