TITLE I, Part A

Title I, Part A, is intended to help ensure that all children have the opportunity to obtain a high-quality education and reach proficiency on challenging state academic standards and assessments. It provides flexible funding that may be used to provide additional instructional staff, professional development, extended-time programs, and other strategies for raising student achievement in high-poverty schools. The program focuses on promoting school-wide reform in high-poverty schools and ensuring students' access to scientifically based instructional strategies and challenging academic content.
