

Funding Transferability For State And Local Educational Agencies TITLE VI, Part A, Subpart 2

This program allows states and school districts to target certain federal funds to the federal programs that most effectively meet their local educational needs. Although transferability involves no formal application and requires no approval by a higher authority, the LEA must provide to CDE a 30-day notice of intent to transfer and a modified local plan, if applicable, no later than 30 days after the date of the transfer.
