

California School Personnel Commissioners Association

... is a statewide organization comprised of personnel commissions of school districts, community colleges, and County Offices of Education who have adopted the merit system provided for in the California Education Code.

Through publications, conferences, workshops, and other services the CSPCA stimulates professional growth by helping its members keep up with the rapidly changing public personnel profession.

The purpose of CSPCA is to promote and advance public education on a non-commercial non-sectarian, and non-partisan basis, through various programs of research, investigation, and communication designed to stimulate and improve public school personnel management to the benefit of the public, the districts, and of their classified employees.

The Personnel Commission meets at
5:00pm on the 4th Monday of each
month at the Marin County
Office of Education

Personnel Commission Annual Report

2008-2009

▶ Merit Principles

The Merit System encompasses these basic principles and concepts:

What is a Merit System?

- Hiring and promoting employees on the basis of ability, with open competition in initial employment.
- Providing fair compensation.
- Retaining employees on the basis of performance. Correcting inadequate performance and separating those whose performance cannot be corrected.
- Training employees as needed for high quality performance.
- Assuring fair treatment of all applicants and employees in all aspects of personnel administration without regard to political affiliation, race, color, national origin, sex or religious creed and with proper regard for their privacy and Constitutional rights as citizens.
- Protecting employees against political coercion and prohibiting use of official position to affect an election or nomination for office.
